

The Dancing Ghost

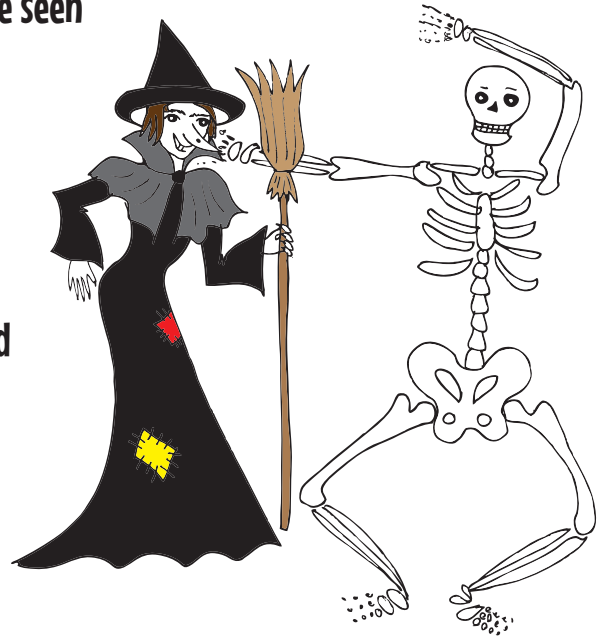

Verse 1:

Halloween is here again, count the pumpkins 1 through 10
And the bats which fly above, all the candy that I love
Spiders crawl and skeletons shake
See the moon over the lake

Chorus:

Who's the one that shakes the most?
He's a dancing, scary ghost
All the kids on Halloween, know which ghost they all have seen
Who's the one that shakes the most?
He's a dancing, scary ghost

Verse 2:

Halloween is here again, count the candles 1 through 10
And the castle up ahead, grab your costume off your bed
Spiders crawl and skeletons shake
See the moon over the lake

Chorus:

Who's the one that shakes the most?
He's a dancing, scary ghost
All the kids on Halloween, know which ghost they all have seen
Who's the one that shakes the most?
He's a dancing, scary ghost
